Special Invitation

I would like to invite you and your teen daughters (12-17) to our 2011 Conference, hosted by the Women in Ministry and Business Alliance (WIMBA). Our theme is Soaring for the Kingdom: Leading With Impact. Isaiah 40:31 declares that those who hope or trust in the Lord will soar on wings like eagles. Eagles are unwearied in their flight even though they fly high and don't rest for long periods of time and neither do they faint.

Jesus led with impact. Jesus always left a lasting impression on everyone who came in contact with him. Leading with impact is the power to make a strong, immediate impression. Leaders are supposed to be effective and effect the people they lead. If you have a desire to be a more impactful leader then you need to come, hear and meet our great speakers. If you want your daughter to learn how to be an impactful leader and become more confident then bring her with you. We will have workshops designed just for teens.

³¹ but those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint. NIV

Eagles renew their strength by changing their feathers.

The guiding principle of this conference will be to equip, enhance, and promote the overall level of readiness of Christian women who are Ministers of the Gospel, Ministry leaders and Business owners. This conference will be organized around four thematic tracks which represent varied ways in which Christian women can use kingdom principles to SOAR in their ministry or business.

Get ready to SOAR! Don't wait register today.

I am excitedly looking forward to seeing you at this year's conference.

In His Care,

Joyce Calvin
Pastor/President

Eagles have long wings by which means they fly with great swiftness.

To her credit, she has recorded several rap albums, included in the No. 1 hip-hop book, *Yes, Yes Yall!* and is featured with Us Girls in the 1984 hip-hop movie, *Beat Street*, produced by actor and singer, Harry Belafonte.

At the age of 25, the entertainment world became a dark, complex place for Dr. Hooper and she sensed a need for a complete change in her life. Surrendering her rap career, she gave her life to the Lord Jesus Christ and committed herself to the work of the ministry. Although Dr. Hooper holds one secular degree, she has also earned five theological degrees (all summa cum laude) including her Doctorate in Ministry, which she received from The Hugee Theological Institute where she began as a student and then matriculated to a Theological Professor, specializing in Greek New Testament.

Over the last two decades, Dr. Hooper has used her training to become a prolific ordained evangelist who travels worldwide, preaching and teaching the Gospel of Jesus Christ. Throughout her career, she has ministered in both local churches and prominent national platforms with a strong emphasis on leadership, youth, and women issues.

For over twenty years, Dr. Hooper has received a tremendous amount of ministerial experience and is now utilizing it to help aspiring pastors and ministers to excel in ministry. To strengthen her endeavor, she has published her first book, *Hooper's Evangelist & Minister's Handbook (Everything You Need To Know Before You Go)*, which addresses practical and relevant areas of ministry for those seeking serious clergy development.
